

Lean throughout.

Repeat customers.

"CITEC's lean manufacturing knowledge and ability to support our requirements not only helped us to meet our immediate customer needs and grow our business but has provided us with a skill set that we are continuing to use to improve our business and maintain a competitive advantage moving forward."

*Geoff Rondeau, General Manager
Allied Motion Technologies, Watertown, NY*

CITEC
Business Solutions

CITEC has a 30 year track record of delivering results working with small and medium-sized businesses across the North Country. We bring world class resources through our state and national network. More information at citec.org.

This certification is for senior and mid-level management. Lean tools are not effective if they are not implemented throughout the entire organization, starting with management. Lead Leadership focuses on lean implementation, engaging all levels of stakeholders, measuring success, and accountability.

If your organization has a Lean culture, your leaders need to reinforce it every day.

Topics covered:

- Lean Overview
- Leadership Overview
- Lean Leadership Paradigm
- 5 Lean Leadership Actions
- Building and Sustaining Lean Culture
- Gemba Walk
- Hoshin Planning
- Value Stream Mapping
- Visual Controls
- Idea Generation
- Adapting Lean Organizational Structure
- Barriers to Change
- Change Management
- Communication Plans
- Resistance Management
- Lean Sustainability

Materials

Each participant receives

- Binder with all course presentation materials
- Networking lunch at session close
- Creating a Lean Culture: Tools to Sustain Lean Conversions* by David Mann

Cost

\$1495 per person

\$1395 if more than one person from a company

Dates

Seven half-day workshops over two months.
